

## **The 8<sup>th</sup> (November 27<sup>th</sup> 2020) IAESREC Science Cafe**

The IAESREC Science Cafe is a place to discuss about science freely with coffee, snacks and fun. In this year, it is difficult to have a social event due to the coronavirus. So, we would like to have an online Science Cafe via ZOOM for a while.

In the 8<sup>th</sup> IAESREC Science Cafe, we are planning to do an "online welcome event for the new GSES students". We invite 2 senior students as speaker who introduce their campus life. As they are Double Degree students, you may also ask about the campus life at counter-side university and the differences of them. After speaker's talk, we are also planning to do a kind of Quiz tournament. We will give you a gift, if you get high score.

It will be a good opportunity to interact with new international students of GSES under this kind of circumstance. Please freely come and join us! We hope we spend enjoyable time together.

### **[Speaker 1]**

Taiki NAMBA

Master student of Double Degree Program (Kyoto University – Malaya University)

Title: "Campus life in Kyoto University"

### **[Speaker 2]**

Peizhao LIU
